WE DON'T DO MAGIC, BUT MIRACLES MAY HAPPEN.

A black pen is positioned diagonally across the frame, pointing towards a calendar page. The calendar page is slightly out of focus, showing dates from 1 to 31. The number 7 is circled in black ink. An orange diamond shape is overlaid on the calendar page, partially obscuring the date 14.

Event Marketing Credentials

who we are

MIRACLE advertising: founded in 2003. We are Slovak based, medium sized full-service advertising agency with up to twenty internal employees. The agency know how comes from our people, from their personality, behaviour, professionalism as well as from huge local and international/overseas/ work experiences, mainly from big advertising houses.

Our work stands on four strong departments/service lines that provide professional services and cover the most of actual clients needs: Creative & Graphic design department; Event production department; Print production department; Social & Online. Even though each department is focused on particular advertising techniques, every client's brief must be evaluated by all departments in service line. Means, all departments share the clients and work on brief together. On the end of the day we can deliver best possible solutions and executions, many times solutions that client yet not considered. In agency client's portfolio you find Slovak and International well respected clients.

WE DON'T DO MAGIC, BUT MIRACLES MAY HAPPEN.
